SHALOM VISION: A society where Peace, Social Justice and Reconciliation prevails throughout Africa

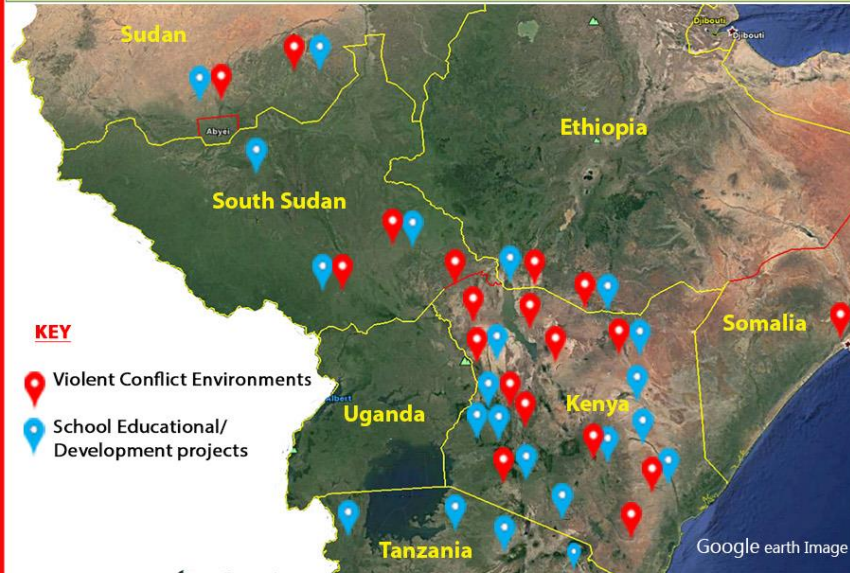

SHALOM MISSION: To work for a society free of physical violence and unjust social structures in Africa, while building peaceful and reconciled communities

THE CONFLICT ENVIRONMENT OVERVIEW

MAP OF SHALOM-SCRR HUMANITARIAN-PEACE-DEVELOPMENT CONTEXT & INTERVENTIONS IN EASTERN AFRICA

WHERE: The remote Kenya-Uganda-South Sudan-Ethiopia-Somalia border interfaces, Sudan, and remote urban settlements

WHY: Inter-ethnic conflicts and Religious Ideological Extremism in 28 life-threatening under-developed locations

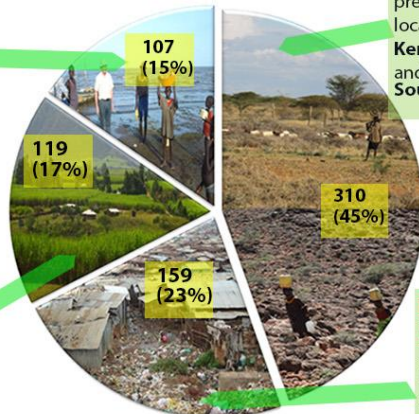

THE CONFLICT ENVIRONMENT:

- Arid and Semi-arids lands (see the brownish spaces on the map) - hot and dry with a mean annual rainfall of 200mm.
- Competition over scarce grazing fields, water resources and pasture.
- Violent livestock raids for: restocking, commercial, prestige and bridewealth.
- Persistent killing, maiming, displacement and destruction of infrastructure/property.
- Violent religious ideological extremism in the urban slums.
- Inter-ethnic conflicts within an across Counties and Countries interfaces.
- Protracted insecurity and lawlessness catalysed by limited or no state presence.
- Infrastructure insecurity creating environment for crime, and violent inter-communal conflict.
- Steady rising levels of poverty manifested through shortage of basic human needs, core resources necessary for communities actualizing their potential.
- Local populations especially women and children suffering from extreme hunger (highest food insecurity), malnutrition and trauma.
- Protracted drought and famine causing grave food insecurity.
- Climate change, ecological degradation leading to overgrazing and competition over limited resources.
- Structural violence preventing communities from meeting their basic needs, benefitting from social, economic and political mainstream development, human rights, and fundamental freedoms.
- Radicalization and violent Religious extremism in informal urban settlements (slums)

PASTORALISTS'

predominantly occupied locations in Northern Kenya, Southern Ethiopia and South Sudan

RURAL-URBAN SETTINGS in the **Great Rift Valley** Region of Kenya

INFORMAL POOR URBAN SLUMS locations in **Kibera, Mathare, Kariobangi** and **Kawangware**

SCHOOL/EDUCATIONAL INFRASTRUCTURAL GAPS:

- Low: access to formal education (large number of children out-of-school), retention and transition rates.
- Nomadic way of life by the pastoralists consequently affecting continuity and school attendance.
- Dilapidated physical school infrastructure.
- Difficult and dangerous terrains with long walking distances for kids to cover.
- Shortage of adequate instructional and learning materials.
- Still existing educational disparities particularly impacting on children from the pastoral communities and informal urban settlements.
- Cultures that undermine education of the girl-child, and forced marriages.
- Low girls' enrolment and transition rates to higher education.
- Lack of clean drinking water and basic sanitation causing high number of water borne diseases among the school children.

HEALTH INFRASTRUCTURAL GAPS:

- Few health facilities compared to the land mass and local population.
- Dilapidated or no physical infrastructure.
- Low accessibility of health services because of long distances to health facilities further compounded by poor road network and violent inter-ethnic conflicts.
- High maternal mortality among the marginalized pastoral communities.

Our team members, led by Dr. Peter Linus, intervening and monitoring Shalom trained community facilitators engaging with **warriors on conflict transformation and negotiation road maps.**

Our team facilitating an **inter-communal Peace Workshop** to address the bloody inter-ethnic conflict along the **Kenya-Ethiopia border**. Shalom-SCCRR is also supporting development of **inter-ethnic schools** in the region.

The Informal settlements (Slums) characterized by poverty, tenure insecurity, informal housing, overcrowding, violent crime, ethno-political violence, **youth radicalization into violent religious ideological extremism**, and populations living on less than **1 USD** a day.

We implement **Conflict Transformation, Peacebuilding and Development projects** in the informal settlements (*Slums*) in **Mathare** (*seen in this image*), **Kibera, Kariobangi and Kawangware** located in **Nairobi, Kenya.**

Fergal Keane, BBC African Editor, writing recently about Shalom in the *Irish Independent* said: “Kenya needs them in its slums and beleaguered western villages,... what they do here matters to all of Africa...”

International Development Consultant, Mr. Mike Williams, reviewing Shalom-SCCRR's methodology and organizational strategy stated:

"Shalom's contextually driven, rigorous but adaptable and forward-looking methodology represents a model approach towards peace-building in highly complex situations, such as those that pertain in Northern Kenya. The approach, with its emphasis on community leadership, stakeholder participation, high technical competency, logic models, results frameworks, stories of change and advocacy linkages also reflects current best practice within both the Peacebuilding and development sectors."

Conclusion

We are proud of our achievements and the impact we have had over our first 10 years of operation in Eastern Africa. This publication is our humble means of celebrating our first decade in the service of marginalised communities in conflict zones. We thank our **funders** who have made all this possible, along with our **strategic partners** and **collaborators** across continents. We appreciate the efforts and dedication of **our team members** - current and past - and the support and encouragement of many **organisations** and **individuals** in **Eastern Africa, the USA, Ireland, Northern Ireland / UK, and elsewhere**. Please continue sharing your wisdom, your experience, your prayers, and your funding, into the future to enable us to develop and to achieve even greater impact.
