WHERE: The remote Kenya-Uganda-South Sudan-Ethiopia-Somalia border interfaces, Sudan, and remote urban settlements

WHY: Inter-ethnic conflicts and Religious Ideological Extremism in 36 life-threatening under-developed locations

Fergal Keane, BBC African Editor, writing recently about Shalom in the Irish Independent said:
“Kenya needs them in its slums and beleaguered western villages,... what they do here matters to all of Africa...”

International Development Consultant, Mr. Mike Williams, reviewing Shalom-SCRR’s methodology and organizational strategy stated:

“Shalom’s contextually driven, rigorous but adaptable and forward-looking methodology represents a model approach towards peace-building in highly complex situations, such as those that pertain in Northern Kenya. The approach, with its emphasis on community leadership, stakeholder participation, high technical competency, logic models, results frameworks, stories of change and advocacy linkages also reflects current best practice within both the Peacebuilding and development sectors.”

SHALOM-SCRR VISION:

A Society where Peace, Justice and Reconciliation prevails throughout Africa

SHALOM-SCRR MISSION:
